No Smoking Policy

Reference: Adopted by the Library Board: March 24, 2009
Reviewed: September 29, 2026

In addition to the 2020 Minnesota Statutes 144.412 Public Policy and Carlton County ordinance 29, which prohibits smoking within 25 feet of any entrance, ventilation intake, or open windows of public buildings, the Cloquet Public Library does not allow smoking anywhere in or outside the library or at any location on its grounds. Smoking means inhaling or exhaling smoke from any lighted cigarette, cigar, pipe, e-cigarette or any other lighted tobacco or plant product. Smoking also includes carrying a lighted cigarette, cigar, pipe, or any other lighted tobacco or plant product intended for inhalation or using chewing tobacco.
